**Interested in Shaping the Future of St. John's?**

On Pentecost Sunday, May 27, we will be selecting new Parish Council Members to replace two of the current members whose term has expired. Look at the Parish Council as a focus group of the parish that the pastor and staff can come to for perspective/direction/input on an as needed basis. If interested of if you would like more information, contact Dave Wojcik @ 920-619-9926.

**IT'S THAT TIME OF YEAR!**

Each year the members of St. John the Baptist Parish elect a new trustee to serve on the parish corporate board. One year we elect a Trustee-Secretary for a two year term and the next year a Trustee-Treasurer for a two year term. The terms run just like our fiscal year from July 1<sup>st</sup> of one year to June 30<sup>th</sup> two years later. This year we will be holding an election for the position of Trustee-Treasurer on the weekend of June 2/3.

When considering a parish member for the position of trustee we would want to elect someone who is actively involved in the parish, updated and informed about the concerns of the parish and its members. A person elected to the position serves as an advisor to the pastor and brings harmony, wisdom and counsel to the various aspects of parish life.

To give you an idea of the responsibilities of the Trustee-Treasurer, consider the following list:

1. Represents the parish as a member of the parish corporate board.
2. Serves as a member of the finance council and attends meetings as scheduled.
3. Assists the pastor, finance council and business administrator in developing and approving the parish budget.
4. With the pastor and the trustee-secretary, reviews and signs checks on an as-needed basis.
5. Assists the pastor, finance council and business administrator in the preparation of financial reports to the parish and diocese.
6. Signs the annual financial report to the diocese

It seems like a lot of work. But it is essential to the continued successful operations of the parish to utilize members with gifts in financial areas to carry on this important position. In just ten hours per month, this person is a great help to our parish.

If you feel you would be available for this elected position and wish to nominate yourself, or would be willing to approach another member to consider nomination to this position, please do so as soon as possible. Candidate biographies, pictures and a short statement as to why you would like to be elected to this position are needed in the parish office by May 15<sup>th</sup>, 2012. If you have any questions please contact Fr. John or Deacon Manny for additional information. Please consider running for this worthwhile position.

*Deacon Manny*

**Happy Mothers' Day**

I've heard of a beautiful custom that some people have developed on their birthday. When they would have a birthday, they would send flowers or a small gift to their mothers to thank their mothers for giving them life.

How much we owe to those who have given us birth or nurtured life in us. In another parish, someone was telling me that, during Mass, they invited those who were birth mothers to stand, adoptive mothers, adopted mothers, then aunts, grandmothers, godmothers, etc. until all the women of the church were standing.

Today, we treasure a special place in our hearts for those who gave us birth. Without them, we would not enjoy the most precious gift of all – life. We, too, treasure all the other women in our lives who have given us life, who never stopped nurturing that life, who were there to comfort us, allow us to grow into our own personhood by quietly listening and encouraging us, who pushed us and called us to believe that we could be more than we could ever have thought.

Mothers teach us to expand our own capacity to love. At times, we simply watch them, wondering how they can accomplish so much and have so much love to give whenever the need arises. We marvel at how they can absorb some of the hurts of life and continue to love.

Then, there are those moments that only they and God can share – the moments of which they never spoke but cherished or (like Mary) contemplated in their hearts. There are, after all, things only another mother can understand.

During this month of May, we go to Mary. Mary, in turn, directs us to her Son. “Go to Jesus,” she gently replies when we come to her. Mary knew that the greatest happiness imaginable was wrapped up in her son. To those who have given physical birth or nurtured life in so many other ways, “Happy Mother’s Day.” Thank you for helping us become the people we are today!

*Fr. John*
