Haunted Forest volunteers must be willing to come prepared with scary 'skits/scenes' to act out in the forest. (They should not just bring a mask and plan to jump out and yell "boo!" to those who pass by.) Contact Angela Kawski for more information about this at 920-434-7841 ext. 2405 or volunteer@newzoo.org

**Be sure to get your service project sheet signed by
Angela Kawski.**
