

It's as easy as...

Buying weekly groceries, filling your car with gas, buying school supplies, paying your Kohl's charge account, or going out to eat.

You can help St. John the Baptist earn money without spending any extra money.

How is income earned?

St. John's is able to purchase gift cards at a discounted price and sell them at face value. The difference becomes an ongoing source of income, helping to maintain our buildings and grounds.

* Due to IRS regulations, you cannot receive credit toward tuition if purchasing SCRIP with a business check. *

Questions With Answers

Ways You Can Use SCRIP

What is SCRIP?

SCRIP is a real and negotiable gift card from participating merchants. You can use SCRIP instead of cash to pay for your everyday purchases.

How do I get SCRIP?

SCRIP is available at the parish office during office hours as well as before & after weekend masses. All orders must be accompanied with payment in full.

Why should I use SCRIP?

As a member of St. John the Baptist Catholic Parish, using SCRIP will not only benefit you in your everyday purchases, but help the parish as well. SCRIP doesn't cost you anything extra and can actually help you budget better.

What if my payday doesn't coincide with my need to buy SCRIP?

The best thing about SCRIP is that it can make it easier to budget your money. When you purchase your grocery or gasoline cards, you know that you will have that gift card for that purpose only and not have to worry about not having the funds at the end of a pay period. All money is deposited once a week, on Monday.

What if I shop at a store that doesn't use SCRIP?

We are not asking you to switch stores; however, if you go to stores on our list we would appreciate you using SCRIP.

Groceries:

SCRIP gift cards are available for use at Copp's, Festival, Piggly Wiggly, Woodman's. and others. If you know about how much you spend on groceries each week, purchase the same amount of SCRIP to use instead of cash.

Car Care:

We offer pre-paid gas cards for Shell, Kwik Trip & BP that can be used at any location. We also have gift certificates for PDQ Car Wash.

Restaurant Meals:

SCRIP is available for a variety of restaurants. Instead of paying the tab with cash, use SCRIP. Keep fast food SCRIP on hand for quick meals.

Gifts:

In addition to helping yourself, SCRIP is perfect for birthdays, graduations, weddings, Christmas and other special holidays. Even if you have a friend or family member out of state, we are able to obtain gift cards from all areas of the country. Check with us on what is available for certain areas.

SCRIP and Businesses

SCRIP is a great marketing tool for businesses because it creates potential for new customers and increases public relations.

SCRIP helps reduce advertising costs. There is no need to depend on shopping trends to realize a profit since companies have their money "up front" to invest.

SCRIP reduces the amount of purchases made with credit cards, saving the businessperson the average 4% handling fee. This money instead can stay local to benefit education.
