

Q&A

- **Is the weekend free?**
Yes, Christ Renews His Parish operates because of generous donations.
- **Where do I sleep?**
In the school gym. Cots available upon request.
- **What if I cannot spend the night?**
While we would love for everyone to have the experience of an overnight stay—we realize circumstances could prevent some people from staying overnight. It is not mandatory, but we highly encourage people to stay.
- **What time does the retreat start and end?**
The retreat starts around 8:00 a.m. on Saturday, and ends on Sunday around 3:00 p.m.
- **Do I have to talk and share my feelings?**
No. Group discussions are part of the weekend, but no one is forced to talk and share their feelings. You decide how much you wish to share. **There is no pressure.**
- **What about confidentiality?**
The importance of confidentiality is discussed throughout the weekend.
- **What if I don't feel well-versed in my Catholic faith?**
Then this is the perfect setting for you. It is wonderful to hear the other participants talk about where they are in their journey and you will quickly realize how much you will identify with most of the people attending the weekend.

Please prayerfully consider attending the next Christ Renews His Parish weekend here at St. John's!
